Transformational Solutions –
Driving footfall, improving value

OUR VISION

Creating Spaces, Enhancing Assets, Improving Value

Town centres and shopping centres are a changing environment. Imaginative hybrid solutions are key to increasing footfall and increasing revenue. Jardak work with some of the UK's most recognisable centre brands and managing agents to deliver exceptional customer experiences.

We can act as principal contractor and designer, or partner with client's design teams to deliver asset specific works tailored to each individual environment.

PEOPLE

Exceptional results start with our people. Highly experienced, honest and reliable, our teams are highly skilled, passionate and efficient people all committed to delivering projects on time, on budget and always with the highest levels of safety.

INNOVATION

Innovation is in our blood. We proactively look to enhance client value at every stage, trialling new ideas and providing flexible solutions for efficiency, safety and sustainability. Our structured approach guarantees that we deliver maximum value to clients.

PROJECT MANAGEMENT

Client and result orientated, we work in partnership with our clients to deliver projects in "live" environments safely and efficiently.

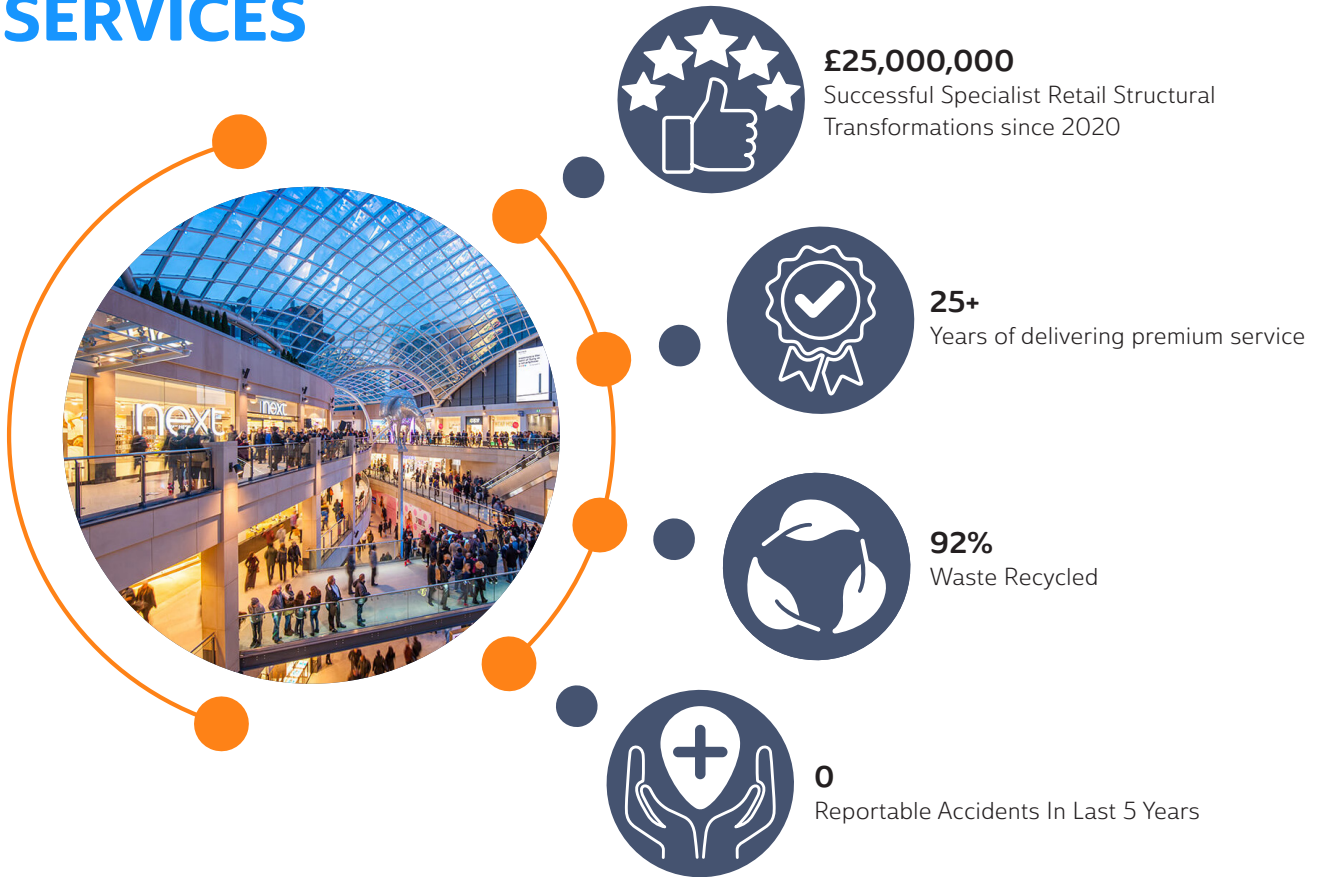

ESG

We embrace the responsibility of shaping a better, more inclusive and sustainable world. We are a multicultural workforce committed to doing things right. Our 360-degree approach allows us to design and execute actions to help clients achieve their ESG goals.

SERVICES

Bringing Shopping Centres Back To Life

Whether you need to “white box” a single unit or reconfigure an entire shopping centre, Jardak has the experience and skills to deliver.

From building new lift shafts, amending structural steels to fitting IT networks and fire alarm systems, as Principal Contractor we manage the whole process from design to completion.

We utilise the latest job management software and construction techniques to create high-quality spaces – that’s why we are trusted by leading high-street brands and managing agents.
